In any case, the Proxy should be dated and executed by the shareholder or the shareholder’s attorney authorized in writing, or if the shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized.

At the time of the printing of this Information Circular, the management of the Corporation is not aware of any such amendment, variation or other matter that may be presented to the Meeting.

#### **REVOCATION OR PROXIES**

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Corporation, at Suite 2900 – 733 Seymour Street, Vancouver, BC, V6B 0S6, at any time up to and including the last business day preceding the day of the Meeting, or to the Chairman of the Meeting on the day of the Meeting or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

#### **BENEFICIAL SHAREHOLDERS**

**This information set forth in this section is importance to many shareholders of the Corporation, as a substantial number of shareholders do not own shares in their own name. Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.**

Most shareholders of the Corporation are "non-registered" shareholders because the common shares of the Corporation ("Common Shares") they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency (each an "Intermediary").

Shareholders who do not hold their Common Shares in their own name (referred to herein as "**Beneficial Shareholders**") should note they will need to be appointed as a proxyholder in order to be able to vote in person at the Meeting.

If the Common Shares are listed in an account statement provided to a shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the shareholder's Intermediary or agent of the Intermediary. In Canada, the vast majority of such shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries.

The Common Shares of the Corporation held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the Intermediary holding their Common Shares well in advance of the Meeting.**

In accordance with the requirements of NI 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), we have distributed copies of the Notice Package to the Intermediaries for onward distribution to Beneficial Shareholders. Intermediaries are required to forward the Notice Package to Beneficial Shareholders, unless in the case of certain proxy-related materials, the Beneficial Shareholder waived their right to receive them. **The Corporation does not intend to pay for Intermediaries to deliver the Notice Package to Beneficial Shareholders and a Beneficial Shareholders will not receive the Notice Package unless the Beneficial Shareholders' Intermediary assumes the cost of delivery. Applicable regulatory policy requires Intermediaries to whom meeting materials have been sent to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings.**

Very often, Intermediaries will use service companies such as Broadridge Financial Solutions, Inc. ("**Broadridge**") to forward the Notice Package to Beneficial Shareholders. Together with the Notice Package, Intermediaries should provide Beneficial Shareholders with a VIF which, when properly completed and signed by such Beneficial Shareholder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

Broadridge typically prepares a machine-readable VIF, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. The VIF must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Beneficial Shareholders who receive Proxies or VIFs from organizations other than Broadridge should complete and return such Proxies or VIFs in accordance with the instructions on such materials in order to properly vote their Common Shares at the Meeting.

The purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares that they beneficially own. Beneficial Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered. **Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.**

**Beneficial Shareholders that wish to attend the Meeting and vote in person (or appoint someone else to attend the Meeting and vote on such Beneficial Shareholders' behalf) can appoint themselves (or someone else) as proxyholder** by inserting his or her name (or the name of the person the Beneficial Shareholder wants to attend and vote on the Beneficial Shareholders' behalf) in the space provided for that purpose on the VIF and return it to the Beneficial Shareholders' Intermediary or send the Intermediary another written request that the Beneficial Shareholder or its nominee be appointed as proxyholder. The Intermediary is required under NI 54-101 to arrange, without expense to the Beneficial Shareholder, to appoint the Beneficial Shareholder or its nominee as proxyholder in respect of the Beneficial Shareholders' Common Shares. Under NI 54-101, unless corporate law does not allow it, if the Intermediary makes an appointment in this manner, the Beneficial Shareholder or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the Intermediary (who is the

registered shareholder) in respect of all matters that come before the Meeting and any adjournment or postponement of the Meeting. An Intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the Proxy within that deadline in order to appoint the Beneficial Shareholder or its nominee as proxyholder. **If a Beneficial Shareholder requests that an Intermediary appoint the Beneficial Shareholder or its nominee as proxyholder, the Beneficial Shareholder or its appointed nominee, as applicable, will need to attend the meeting in person in order for the Beneficial Shareholders' vote to be counted.**

**Beneficial Shareholders who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.**

#### QUORUM

The Articles of the Corporation provide that a quorum for the transaction of business at any meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to vote at the meeting. A simple majority of the votes of those shareholders who are present and vote either in person or by proxy at the Meeting is required in order to pass an ordinary resolution.

A majority of two-thirds of the votes of those shareholders who are present and vote either in person or by proxy at the Meeting is required to pass a special resolution. There are no special resolutions proposed at this Meeting.

During the financial year ended June 30, 2023, none of the Corporation's directors or NEOs exercised any compensation securities.

## COMPENSATION DISCUSSION AND ANALYSIS

At its present stage of development, the Corporation does not have any formal objectives, criteria and analysis for determining the compensation of its NEOs and primarily relies on the discussions and determinations of the Board. With a view to minimizing its cash expenditures not directed at the exploration of the Corporation's properties, the emphasis in compensating the NEOs is the grant of incentive options under the Option Plan. The type and amount of future compensation to be paid to NEOs and Directors has not been determined and the Board has not considered

the implications of the risks associated with the compensation policies and practices. The Corporation has not considered the implications of the risks associated with the Corporation's compensation policies and practices. Neither NEOs nor Directors are permitted to purchase financial instruments that are designed to hedge or offset a decrease in the market value of equity securities offered as compensation.

As of the date of this Information Circular, the Board has not established any benchmark or performance goals to be achieved or met by NEOs; however, such NEOs are expected to carry out their duties in an effective and efficient manner so as to advance the business objectives of the Corporation. The satisfactory discharge of such duties is subject to ongoing monitoring by the Directors.

### **Director Compensation**

The Corporation does not have any arrangements, standard or otherwise, pursuant to which directors are compensated by the Corporation for their services in their capacity as directors of the Corporation, or for committee participation, involvement in special assignments or for services as consultants or experts. As with the NEOs, the Board intends to compensate directors primarily through the grant of Options and reimbursement of expenses incurred by such persons acting as directors of the Corporation.

### ***STOCK OPTION PLANS AND OTHER INCENTIVE PLANS***

#### **Stock Option Plan**

On March 10, 2022, the Corporation implemented the Option Plan in order to provide effective incentives to directors, officers and employees of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation's shareholders. The Option Plan was approved by the shareholders on June 3, 2022. Pursuant to the policies of the Canadian Securities Exchange, the Corporation is required to obtain securityholder approval of the Option Plan within three years of its prior approval. The Option Plan provides that, subject to the requirements of the Canadian Securities Exchange, the aggregate number of securities reserved for issuance, set aside and made available for issuance under the Option Plan may not exceed 10% of the aggregate number of Common Shares of the Corporation issued and outstanding from time to time and any Common Shares issuable upon conversion of special warrants and other securities of the Corporation that are automatically convertible into Common Shares of the Corporation at no additional cost.

The Option Plan is administered by the Board or a committee of the Board which have full and final authority with respect to the granting of all Options thereunder. Options may be granted under the Option Plan to such directors, officers, employees or consultants of the Corporation, as the Board or committee thereof may from time to time designate.

The exercise price of any Options granted under the Option Plan shall be determined by the Board but may not have an exercise price lower than the greater of the closing market prices of the Common Shares of the Corporation on (a) the trading day prior to the date of grant of the Options; and (b) the date of grant of the Options. The term of any Options granted under the Option Plan shall be determined by the Board at the time of grant but, subject to earlier termination in the event of termination or in the event of death, the term of any Options granted under the Option Plan may not exceed ten years. Options granted under the Option Plan are not to be transferable or assignable. Subject to certain exceptions, in the event that a director or officer ceases to hold office, Options granted to such director or officer under the Option Plan will expire 30 days after such director or officer ceases to hold office. Subject to certain exceptions, in the event that an employee, or consultant ceases to act in that capacity in relation to the Corporation, Options granted to such employee, consultant or management company employee under the Option Plan will expire 30 days after such individual or entity ceases to act in that capacity in relation to the Corporation.

The Corporation has no equity incentive plans other than the Option Plan. The size of the Option grants is dependent on each officer’s level of responsibility, authority and importance to the Corporation and the degree to which such officer’s long-term contribution to the Corporation will be key to its long-term success.

**Defined Benefit Plans**

The Corporation does not have any defined benefit or actuarial plans.

**Termination and Change of Control Benefits**

The Corporation does not have any contracts, agreements, plans or arrangements in place with any NEOs that provide for payment following or in connection with any termination (whether voluntary, involuntary or constructive) resignation, retirement, a change of control of the Corporation or a change in a NEO’s responsibilities.

### AUDIT COMMITTEE

Pursuant to the provisions of applicable corporate and securities law, the Corporation is required to have an audit committee comprised of at least three directors ("**Audit Committee**"), the majority of which must not be officers or employees of the Corporation. The Corporation must also, pursuant to the provisions of National Instrument 52-110 *Audit Committees*, have a written charter, which sets out the duties and responsibilities of its Audit Committee. The Audit Committee's role is to act in an objective, independent capacity as a liaison between the auditors, management and the Board and to ensure the auditors have a facility to consider and discuss governance and audit issues with parties not directly responsible for operations. Roger Tang is the Chairman of the Audit Committee.

### AUDIT COMMITTEE CHARTER

The text of the Audit Committee's charter is attached as Schedule "A" to this Information Circular.

### COMPOSITION OF THE AUDIT COMMITTEE

Following the election of the directors pursuant to this Information Circular, the following will be the members of the Audit Committee:

Roger Tang <sup>(1)</sup>	Independent <sup>(2)</sup>	Financially literate <sup>(3)</sup>
Gregory Kaiser	Not-Independent <sup>(2)</sup>	Financially literate <sup>(3)</sup>
Richard Thompson	Independent <sup>(2)</sup>	Financially literate <sup>(3)</sup>

(1) Chairman of the Audit Committee.

(2) A member of an Audit Committee is independent if the member has no direct or indirect material relationship with the Corporation, which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment. Gregory Kaiser is not an independent director as he is the Chief Executive Officer of the Corporation.

(3) An individual is financially literate if he has the ability to read and understand a set of financial statements that present a breadth of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

### RELEVANT EDUCATION AND EXPERIENCE

Each member of the Corporation's present Audit Committee has adequate education and experience that is relevant to his performance as an Audit Committee member and, in particular, the requisite education and experience that have provided the member with:

- (a) an understanding of the accounting principles used by the Corporation to prepare its financial statements and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;
- (b) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation's financial statements or experience actively supervising individuals engaged in such activities; and

- (c) an understanding of internal controls and procedures for financial reporting. See “*Directors and Executive Officers*” for further details.

The following is a brief description of the experience and education of the Audit Committee members:

He has worked for companies of varying sizes, from “start-ups” to a large subsidiary of an intermediate- US Independent (Pioneer Natural Resources Canada) and been involved in all aspects of the exploration task from identifying geophysical locations to drilling design and completion strategies. Mr. Kaiser spent almost 15 years exclusively focused on A & D work through various roles as VP Business Development with Pioneer Natural Resources Canada and Quatro Resources. This work led to the implementation of BD Teams at Pioneer utilizing methodology/protocols from Resource Assessments of Under-developed Oil and Gas Fields from Canada to several areas around the world where Pioneer operates.

After the sale of Pioneer Natural Resources Canada to Taqa Resources, Mr. Kaiser served as Vice President Exploration & Business Development at Quatro Resources which eventually was merged with Mosaic Energy (both owned by Natural Gas Partners of Dallas), where he was responsible for capital spending within the company (roughly \$290,000,000 over 2 ½ years) including drilling and completion of multiple horizontal wells, construction of a new 50 mmcf/d sour facility (expandable), water injection skid and lastly completion of a complex gas gathering system connecting multiple pad-sites to Mosaic’s new gas plant.

Most recently Mr. Kaiser co-founded Apogee Petroleum Inc. in late 2017 with a significant capital commitment from Pearl Energy Investments of Dallas, Texas, growing the company to >2000 boepd, and culminating in the sale of Apogee in December 2021.

**Roger Tang – Independent Director (Age: 64)**

Mr. Tang was a Co-Founder, Director, President, and Chief Executive Officer of Deltastream Energy Corporation until October 2022, where he was responsible for the company’s overall corporate strategy development, implementation and execution.

Mr. Tang has over 35 years of experience where he founded four E&P companies including Deltastream. Prior to his entrepreneurial path, he had a successful geoscience career at Texaco Canada and Morrison Petroleum playing a key role in numerous oil and gas discoveries including the Glauconitic A pool in Provost which was named as the top 10 discovery of the decade prior to 1991. In 1990, he was a member of a hand-picked synergy team to advise on the go forward exploration and development strategy for the combined ESSO and Texaco organization.

Mr. Tang graduated from the University of Manitoba with an M.Sc degree in Geological Sciences in 1985 with a Sigma Xi Designation for Recognition of Research in Science.

**Richard Thompson – Independent Director (Age: 67)**

Mr. Thompson is a graduate in Honours Geophysics from the University of Manitoba. He has over 40 years of energy industry experience in Western Canada, beginning with Petro-Canada and Wascana Energy, and progressing into senior executive roles in several junior entities such as Cequence, Cequel, Cyries and Marquee Energy. Mr. Thompson served as President & Chief Executive Officer of Marquee from 2010-2017. Richard joined the founder of Loyal Energy in 2018 and was instrumental in growing the company to more 5,500 boed while accumulating no debt. In addition to strong hands-on geophysical analysis and prospecting, Mr. Thompson has extensive business development experience in property and corporate A&D, corporate finance and public markets.

## **AUDIT COMMITTEE OVERSIGHT**

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

## **PRE-APPROVAL POLICIES AND PROCEDURES**

The Audit Committee is authorized by the Board to review the performance of the Corporation's external auditors and approve in advance provision of services other than auditing and to consider the independence of the external auditors, including a review of the range of services provided in the context of all consulting services bought by the Corporation. The Audit Committee is authorized to approve in writing any non-audit services or additional work which the Chairman of the Audit Committee deems is necessary, and the Chairman will notify the other members of the Audit Committee of such non-audit or additional work and the reasons for such non-audit work for the Committee's consideration, and if thought fit, approval in writing.

## **EXTERNAL AUDITOR SERVICE FEES**

The fees of BDO Canada LLP, the Corporation's external auditor, during the period ended June 30, 2023 were as follows:

<b>Period Ending</b>	<b>Audit Fees (\$)</b>	<b>Audit Related Fees<sup>(1)</sup> (\$)</b>	<b>Tax Fees<sup>(2)</sup> (\$)</b>	<b>All Other Fees<sup>(3)</sup> (\$)</b>

(1) Fees charged for assurance and related services reasonably related to the performance of an audit, and not included under "Audit Fees".

(2) Fees charged for tax compliance, tax advice and tax planning services.

(3) Fees for services other than disclosed in any other column.

## **RELIANCE ON CERTAIN EXEMPTIONS**

The Corporation is relying on the exemption in Section 6.1 of National Instrument 52-110 – *Audit Committees* ("**NI 52-110**") which exempts venture issuers from the requirements of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

## **CORPORATE GOVERNANCE**

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* ("**NP 58-201**") provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, National Instrument 58-101 – *Disclosure of Corporate Governance Practices* prescribes certain disclosure by the Corporation of its corporate governance practices. This disclosure is presented below.

## **BOARD OF DIRECTORS**

The Board facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board. The Board is comprised of three directors: Richard Thompson, Gregory Kaiser and Roger Tang. As the size of the Board is small, the Board has no formal procedures designed to facilitate the exercise of independent supervision over management, relying instead on the integrity of the individual members of its management team to act in the best interests of the Corporation.

Gregory Kaiser is not independent as he is the CEO of the Corporation

## ***DIRECTORSHIPS***

The directors of the Corporation are not currently directors of any other reporting issuers.

## ***ORIENTATION AND CONTINUING EDUCATION***

New Board members receive an orientation package, which includes reports on operations and results, and any public disclosure filings by the Corporation, as may be applicable. Board meetings are sometimes held at the Corporation's offices and, from time to time, are combined with presentations by the Corporation's management to give the directors additional insight into the Corporation's business. In addition, management of the Corporation makes itself available for discussion with all Board members.

## ***ETHICAL BUSINESS CONDUCT***

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

## ***NOMINATION OF DIRECTORS***

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

## ***COMPENSATION***

The Board is responsible for determining compensation for the directors of the Corporation to ensure it reflects the responsibilities and risks of being a director of a public company.

## ***OTHER BOARD COMMITTEES***

The Board has no committees, other than the Audit Committee.

## ***ASSESSMENTS***

Due to the minimal size of the Board, no formal policy has been established to monitor the effectiveness of the directors, the Board and its committees.
